

City and School District Budget Review June 2010

The Utah Taxpayers Association annually audits the proposed budgets of Utah's largest cities and Utah's 41 school districts. Most cities and school districts are balancing their budgets without tax increases, however two cities and one school district are proposing a tax increase.

Several cities and school districts are proposing to raise taxes and have recently or will be holding Truth in Taxation hearings.

City or School District	TinT Hearing Date	Time	Tax Increase?	Health Increase?	Pay Increase?
Syracuse	10-Aug	7:00PM	Yes	9%	1%
Roy	TBD	TBD	Yes	10%	0%
Logan SD	10-Aug	TBD	Yes	0%	0%
