This reference summarizes major Utah state and local taxes and is updated to include FY2016 actual revenues and FY2017 estimated revenues. These taxes comprise all major non-federal state revenue sources such as income, sales and fuel taxes, and most major local revenue sources, including property, general sales, and specific sales taxes.

Several revenue sources are not included in this summary, such as:

- Utility franchise taxes imposed on telephone and cable services
- Energy user sales taxes imposed on consumers of gas and electricity
- User-based fees for municipal services such as sewer, garbage, electricity, etc.
- Clerk and court fees
- License fees for over 70 skilled trades, professions and businesses

The Utah Taxpayers Association would like to thank the staff of the Utah Tax Commission, Driver License Division, Division of Public Utilities, Department of Alcoholic Beverage Control and the Department of Workforce Services for their cooperation in providing information contained in this reference.

Tax Type	CORPORATE FRANCHISE TAX																							
Statute	59-7-101 to 903; 59-1-401 to 403																							
Subject	Income of corporation located or doing business in Utah.																							
Measure	Net taxable income. Corporations that commenced doing business in Utah prior to January 1973 prepay that tax based on prior year income. IRS form 1120 line 28 is the statutory starting point in calculating Utah unadjusted income. Specific additions and subtractions required from that point. For apportionment purposes, from tax years beginning in 2011, corporations must first determine if they are a sales factor weighted taxpayer. "Sales factor weighted taxpayer" is defined in Utah code annotated 59-7-302. Corporations that are not sales factor weighted may file using an evenly weighted three factor formula, or may elect a double-weighted sales factor.																							
Rate	<ul style="list-style-type: none"> •5% of taxable income for taxable year beginning anytime during 1984 or thereafter. Minimum tax is \$100.00. •4.65% January 1983, 4% January 1977 (federal, state, foreign taxes paid deduction eliminated), 6% January 1965, 4% January 1955, 3% May 1931. 																							
Enacted	1931																							
Disposition	Uniform School Fund, distributed to local schools.																							
Procedure	Returns due April 15 or the 15th day of the 4th month after close of income year. Corporations with established tax of \$3,000 or more are required to make quarterly payments.																							
Exemption	Organizations meeting requirements of Section 501 and 528 of the Internal Revenue Code, admitted insurance companies which are taxed on their premiums under Title 59 Chapter 9 of the Utah Code, a building authority, a farmers cooperative and certain public agencies. Corporations that are an out of state business and income earned during a disaster period or as a result of responding to a declared state disaster or emergency. Exempt organizations having unrelated business income under IRC 512 and homeowners associations having taxable income for federal purposes must file a return and pay tax on such income.
