

## The Utah Taxpayer - July 2022

# Cannon's Corner: Arizona Blowing Utah Out of the Water on Lower Taxes and Spending Policy

Utah's 14 year run as the nation's leader in "Best Economic Outlook" could soon be in danger. Arizona is hot on Utah's heels and is a likely candidate to knock us off the top spot.

[Here are two reasons why.](#)

## Primary Election Results – Many New

# Faces Coming To Utah's House and Senate

One House race in Southern Utah is currently at a difference of only 7 votes out of over 8,000 votes counted.
